## **Independent Auditors' Report**

Board of Directors  
Greenpeace Fund, Inc.

### ***Report on the Financial Statements***

We have audited the accompanying financial statements of Greenpeace Fund, Inc. (the Organization), which comprise the statement of financial position as of December 31, 2015, and the related statements of activities and cash flows for the year then ended, and the related notes to financial statements.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditors' Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of December 31, 2015, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

***Other Matters***

***2014 Financial Statements***

The 2014 financial statements of the Organization were audited by other auditors whose report dated June 1, 2015, expressed an unmodified opinion on those statements.

***Report on Supplementary Information***

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary schedules of program grants, pass-through grants and functional expenses are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

# Greenpeace Fund, Inc.

Notes to Financial Statements  
December 31, 2015 and 2014

## 1. Nature of Operations

Greenpeace Fund, Inc. (“the Organization”) is a nonprofit corporation whose activities are directed primarily at protecting and preserving the environment. Activities are executed mainly through the consideration and funding of grants to other organizations. The Organization’s primary sources of revenues are contributions from individuals and grants from organizational donors.

## 2. Summary of Significant Accounting Policies

### Basis of Accounting and Presentation

The Organization’s financial statements are prepared on the accrual basis of accounting and are in accordance with generally accepted accounting principles for not-for-profit organizations. Net assets are reported based on the presence or absence of donor-imposed restrictions as follows:

- *Unrestricted net assets* represent funds that are not subject to donor-imposed stipulations and are available for support of the Organization’s operations.
- *Temporarily restricted net assets* represent funds that are subject to donor-imposed restrictions that are met through specific actions of the Organization or through the passage of time.
- *Permanently restricted net assets* represent funds subject to donor imposed stipulations that they be maintained permanently by the Organization. Generally, the donors of these assets permit the institution to use all or part of the income earned on related investments for general or specific purposes. The Organization did not have permanently restricted net assets at December 31, 2015 and 2014.

### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

### Cash Equivalents

The Organization considers as cash equivalents demand deposits and all highly liquid investments, which can be converted into known amounts of cash and have a maturity period of 90 days or less at the time of purchase. However, cash and cash equivalents such as Money Market Funds, held in the Organization’s investment portfolio are included as a component of investments.

## **Greenpeace Fund, Inc.**

Notes to Financial Statements  
December 31, 2015 and 2014

### **2. Summary of Significant Accounting Policies (continued)**

#### Investments

Investments are recorded at fair value. All unrealized gains and losses, realized gains and losses, and interest income, net of investment management fees are included in investment income in the accompanying statement of activities. Donated investments are recorded at their fair value on the date of receipt.

#### Notes Receivable

Notes receivable due from affiliates, are accounted for at cost plus accrued interest which generally approximates fair value. While these receivables are carried at amounts that approximate fair value under the fair value option in accordance with U.S. GAAP, they are not included in the Organization's fair value hierarchy in Note 6. Had these receivables been included in the Organization's fair value hierarchy, all would have been classified as level 2, as of December 31, 2015 and 2014,

#### Grants Payable

Grant commitments are charged to operations at the time the grants are approved by Board of Directors. Grants that are payable and considered long term are recorded at their net present value. At December 31, 2015 and 2014, all grants payable are current and expected to be paid within one year.

#### Gift Annuities

Annuity obligations arising from split-interest gifts are recognized as charity gift annuity liabilities. The excess of annuity gifts over the estimated annuities to be paid by the Organization over the beneficiary's lifetime is recognized as contribution revenue when received and is included in unrestricted net assets in the accompanying financial statements. The initial liabilities resulting from these gifts are measured at fair value using the present value of the future payments to be made to beneficiaries, and subsequent actuarial revaluations of gift annuity obligations are being reported as Changes in Split-Interest Agreements in the Statement of Activities. Investment earnings on assets held under charitable gift annuities are recorded as investment income.

## **Greenpeace Fund, Inc.**

Notes to Financial Statements  
December 31, 2015 and 2014

### **2. Summary of Significant Accounting Policies (continued)**

#### Revenue Recognition

Contributions, including unconditional promises to give, are recognized at fair value in the period received or pledged, whichever is earlier. All grants and contributions are considered to be available for unrestricted use unless specifically restricted by the donor. The Organization reports grants and contributions as temporarily restricted support if they are received with donor or grantor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Contributions pledged through wills and estates are recorded as contributions at the time of notification from the estate at the anticipated amount to be received and are reported as additions to temporarily restricted net assets; however, they are reclassified to unrestricted net assets at the time of receipt. Such amounts are generally collected within one year and thus are not discounted to present value.

#### Functional Allocation of Expenses

The costs of the Organization's programs and other activities have been summarized on a functional basis in the accompanying statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

#### Agency Transactions

The Organization acts as an agent for certain grants. The accompanying supplementary schedule presents pass-through grants received by the Organization that were designated to various third party beneficiaries. The Organization does not have variance power over the funds and does not have a controlling financial interest in any of the beneficiaries. Accordingly, these funds are recorded as liabilities until disbursed. At December 31, 2015 and 2014, \$1,159,000 and \$813,000 were recorded as pass through liabilities within the statements of financial position.

#### Reclassifications

Certain reclassifications have been made to prior year amounts to conform to the current year's presentation. These reclassifications have no effect on the change in net assets previously reported.

## Greenpeace Fund, Inc.

Notes to Financial Statements  
December 31, 2015 and 2014

### 2. Summary of Significant Accounting Policies (continued)

#### Subsequent Events

In preparing these financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through June 16, 2016, the date the financial statements were available to be issued.

### 3. Concentrations

#### Credit Risk

Financial instruments that potentially subject the Organization to significant concentrations of credit risk consist of cash and cash equivalents and investments. The Organization maintains cash deposit and transaction accounts, along with investments, with various financial institutions and these values, from time to time, exceed insurable limits under the Federal Depository Insurance Corporation (FDIC) and Securities Investor Protection Corporation (SIPC). The Organization has not experienced any credit losses on its cash and cash equivalents and investments to date as it relates to FDIC and SIPC insurance limits. Management periodically assesses the financial condition of these financial institutions and believes that the risk of any credit loss is minimal.

#### Market Risk

The Organization invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statements of financial position and activities.

### 4. Contributions and Grants Receivable

Contributions and grants receivable consist of the following at December 31:

	<u>2015</u>	<u>2014</u>
Estates and wills, net	\$ 391,250	\$ 1,093,617
Grants	<u>850,000</u>	<u>405,000</u>
Total contributions and grants receivable	<u>\$ 1,241,250</u>	<u>\$ 1,498,617</u>

## Greenpeace Fund, Inc.

Notes to Financial Statements  
December 31, 2015 and 2014

### 4. Contributions and Grants Receivable (Continued)

These amounts are recorded at net realizable value. The Organization provides an allowance for bad debts using the allowance method, which is based on management's judgment considering historical information. Accounts are individually analyzed for collectability, and will be reserved based on individual evaluation and specific circumstances. When all collection efforts have been exhausted, the accounts are written-off against the related allowance. At December 31, 2015 and 2014, amounts are deemed to be fully collectible. No discount has been calculated for 2015 or 2014 as all significant receivables are due within one year at December 31, 2015 and 2014.

In addition to the estimate of the allowance for doubtful accounts, management periodically evaluates the values of the estates and wills receivables and adjusts accordingly. During the years ended December 31, 2015 and 2014, \$4,494 and \$10,000, respectively, were written-down from the estates and wills balance and are included as a decrease to contributions in the accompanying statement of activities.

### 5. Investments

Investments are recorded at fair market value and are comprised of the following at December 31, 2015 and 2014:

	2015	2014
Cash and cash equivalents	\$ 1,929,411	\$ 2,911,170
Certificates of deposit	139,875	164,070
Mutual and exchange traded funds:		
Domestic equities	770,793	840,504
International equities	239,891	220,624
Government bonds fixed income	736,604	729,727
Intermediate-term fixed income	212,130	209,825
Other short-term fixed income	85,839	86,230
Equities:		
Domestic	304,558	3,020
International	83,538	-
Fixed income:		
Government Bonds	1,133,881	234,704
Corporate Bonds	756,559	484,876
Land available for sale	70,000	70,000
	<u>\$ 6,463,079</u>	<u>\$ 5,954,750</u>

## Greenpeace Fund, Inc.

Notes to Financial Statements  
December 31, 2015 and 2014

### 5. Investments (Continued)

Investment income consists of the following for the years ended December 31:

	<u>2015</u>	<u>2014</u>
Interest and dividends, net of investment fees of \$28,780 and \$24,722	\$ 79,660	\$ 123,173
Interest on note receivable and revolving credit receivable	145,536	164,007
Net realized and unrealized losses	<u>(85,007)</u>	<u>(38,989)</u>
Total investment income	<u>\$ 140,189</u>	<u>\$ 248,191</u>

### 6. Fair Value Measurements

A fair value hierarchy that prioritizes the input to valuation techniques used to measure fair value is established by generally accepted accounting principles. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under generally accepted accounting principles are described below:

**Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.

**Level 2** Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

## Greenpeace Fund, Inc.

Notes to Financial Statements  
December 31, 2015 and 2014

### 6. Fair Value Measurements (continued)

Following is a description of the valuation methodologies used for assets measured at fair value. Based on current year data certain level 1 bonds in 2014 were determined to be more correctly presented as level 2 and the tables were updated to present this reclassification. Additionally, certain U.S. government securities were determined to be more correctly classed as level 2 and the tables were updated to present this reclassification.

*Equities, mutual and exchange traded funds: Valued at the last sales price, or if there is no sale and the market is still considered active, at the last transaction price before year end.*

*Certificate of Deposits, Corporate Bonds and Government Securities: Valued using quoted market prices for similar assets and liabilities in active markets*

*Land available for sale: Valued using comparables in the geographic location where the land is held.*

*Split-interest agreement liability: Valued at the present value of future payments to beneficiaries, and the annual adjustment based on the latest actuarial information available.*

## Greenpeace Fund, Inc.

Notes to Financial Statements  
December 31, 2015 and 2014

### 6. Fair Value Measurements (continued)

The following table presents the Organization's fair value hierarchy for those assets and liabilities measured at fair value on a recurring basis (excluding managed money market funds not subject to fair value measurement) at December 31, 2015:

	Level 1	Level 2	Level 3	Total
<b>Assets</b>				
Certificates of deposit	\$ -	\$ 139,875	\$ -	\$ 139,875
Mutual and exchange traded funds:

Distributions to annuitants	(140,819)
Unrealized gains	73,701
Balance at December 31, 2015	<u>\$ 1,023,029</u>

## **Greenpeace Fund, Inc.**

Notes to Financial Statements  
December 31, 2015 and 2014

### **6. Fair Value Measurements (continued)**

The unobservable inputs used to determine the fair value of the charitable gift annuity split-interest liabilities were discount rates and actuarial assumptions calculated based upon the Internal Revenue Service life expectancy tables and the adjusted federal midterm rate at the time the charitable annuities were established.

### **7. Related Party Transactions**

#### Stichting Greenpeace Council

Greenpeace is a global environmental organization, consisting of Greenpeace International (Stichting Greenpeace Council – “the Council”) in Amsterdam, and 26 independent national and regional offices across the world covering operations in more than 55 countries. These national/regional offices are independent in carrying out global campaign strategies within the local context they operate within, and in seeking the necessary financial support from donors to fund this work. Greenpeace International's main legal entity is "Stichting Greenpeace Council" (SGC). It is a Dutch Stichting -a foundation-type non-profit entity- based in Amsterdam, the Netherlands. Although the Organization is a non-voting member of the Council, all Greenpeace entities are influenced by decisions of the Council. However, the Organization has ultimate responsibility for and control over its own activities and decisions.

#### Greenpeace, Inc.

Greenpeace, Inc. recognized as a tax-exempt organization under Section 501(c)(4) of the Internal Revenue Code, and is exempt from income taxes except for taxes on unrelated business activities and provides management services to the Organization. Additionally, Greenpeace, Inc. and the Organization share certain management and general costs. All shared costs are charged to the appropriate entity based upon specific identification or are allocated based on time incurred. The Organization's share of such costs is then allocated to the various programs and support services included in the accompanying statement of activities. Total shared costs in 2015 and 2014 were \$249,805 and \$247,464, respectively.

#### Grants to Greenpeace Organizations and Shared Expenses with Greenpeace, Inc.

The Organization made grants to the Council for use in its worldwide activities. The Organization also provided grants to Greenpeace, Inc. to fund research and educational activities. The Organization also acts as an agent for pass-through grants in which the beneficiaries are other Greenpeace affiliates, as designated by the donors. Pass-through grants are recorded as liabilities until disbursed and are not included as a component of grant expense in the accompanying statement of activities.

### 7. Related Party Transactions (continued)

#### Grants to Greenpeace Organizations and Shared Expenses with Greenpeace, Inc. (continued)

Grants awarded to all related organizations were as follows for the years ended December 31:

	<u>2015</u>	<u>2014</u>
Grants to Stichting Greenpeace Council	\$ 6,807,585	\$ 6,043,000
Grants to Greenpeace, Inc.	<u>6,542,500</u>	<u>4,970,950</u>
Total grants expense	<u>\$ 13,350,085</u>	<u>\$ 11,013,950</u>

Grants payable and other liabilities to all related organizations were as follows at December 31:

	<u>2015</u>	<u>2014</u>
Grants payable to Stichting Greenpeace Council	\$ 3,076,455	\$ 3,583,000
Due to Greenpeace, Inc.	763,475	1,345,244
Grants payable to other Greenpeace affiliates	<u>1,159,000</u>	<u>813,000</u>
Total grants payable and other liabilities	<u>\$ 4,998,930</u>	<u>\$ 5,741,244</u>

As of December 31, 2015 and 2014, amounts due to Greenpeace, Inc. include both grants payable as well as other liabilities due to Greenpeace, Inc. as a result of the management and general costs that are shared with Greenpeace, Inc.

#### Revolving Credit Note Receivable – Greenpeace, Inc.

The Organization has entered into a \$2 million revolving line of credit arrangement with Greenpeace, Inc. to help support Greenpeace, Inc.'s operations. Interest has been accrued at a rate of 7.25% during 2015 and 2014. Interest revenue was \$117,585 and \$126,582, respectively, for the years ended December 31, 2015 and 2014, and is included in investment income in the accompanying statement of activities. The revolving credit receivable has a balance of \$-0- and \$1,798,444 at December 31, 2015 and 2014, respectively, and is included in the accompanying statements of financial position.

Notes to Financial Statements  
December 31, 2015 and 2014

### 7. Related Party Transactions (continued)

#### Note Receivable from Stichting Greenpeace Council

During 2011, the Organization loaned \$3,000,000 to the Council to fund the building of a new vessel. Interest is calculated monthly and is accrued at the U.S. prime rate. The balance is due in ten equal installments with the first installment due on October 27, 2012. In addition to the annual \$300,000 installments, the Council made a pre-payment totaling \$1,471,170 in December 2012. Interest revenue was \$27,952 and \$37,424 for the years ended December 31, 2015 and 2014, respectively. As of December 31, 2015 and 2014, the outstanding balance, including accrued interest, totaled \$643,450 and \$915,498, respectively.

### 8. Charitable Gift Annuities

The Organization has entered into irrevocable agreements with donors whereby in exchange for the gift from the donor, the Organization is obligated to provide an annuity to the donor or other designated beneficiaries over the life of the annuitant. The actuarially determined liability resulting from the annuity gifts was recorded at the date of the gift. These liabilities were subsequently re-measured at the present value of future payments to beneficiaries, and the annual adjustment based on the latest actuarial information available is reported in the accompanying statements of activities as a change in the value of split-interest agreements. Annuity obligations were \$1,023,029 and \$1,027,528 at December 31, 2015 and 2014, respectively, and are included in the accompanying statements of financial position. Contribution revenue recognized under these arrangements for the years ended December 31, 2015 and 2014, was \$62,619 and \$-0-, respectively.

### 9. Temporarily Restricted Net Assets

Temporarily restricted net assets are available for the following purposes at December 31:

	<u>2015</u>	<u>2014</u>
Oceans	\$ 550,000	\$ -
Forest	-	325,000
Climate	220,000	50,000
Democracy Initiative	-	75,000
Other programs	35,000	55,000
Time restricted	<u>456,250</u>	<u>1,093,617</u>
Total temporarily restricted net assets	<u>\$ 1,261,250</u>	<u>\$ 1,598,617</u>

## **Greenpeace Fund, Inc.**

Notes to Financial Statements  
December 31, 2015 and 2014

### **10. Income Taxes**

The Organization is recognized as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code, and is exempt from income taxes except for taxes on unrelated business activities. No tax expense is recorded in the accompanying financial statements for the years ended December 31, 2015 and 2014, as there were no unrelated business activities. Management evaluated the Organization's tax positions and has concluded that the Organization has taken no uncertain tax positions that qualify for either recognition or disclosure in the accompanying financial statements.
